ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was received electronically at the Board of Patent Appeals and Interferences on January 24, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below.

On March 8, 2005, the examiner has mailed a Miscellaneous Action. The examiner stated "See attached 1449." A review of the file reveals that the attachment (1449) is missing. Appropriate correction is required.

Accordingly, it is

**ORDERED** that this application be returned to the Examiner:

- 1) to have a signed copy of the 1449 scanned into the record; and
- 2) for such further action as may be appropriate.

BOARD OF PATENT APPEALS  
AND INTERFERENCES

By:

A handwritten signature in black ink, appearing to read 'Dale M. Shaw', written over a horizontal line.
